Technical Issues Have the Highest Ticket Volume During NZ Holidays

Technical Issues account for the most tickets during NZ holidays with **1,561 tickets**, followed by Billing & Payments (1,169 tickets) and Account Management (747 tickets).

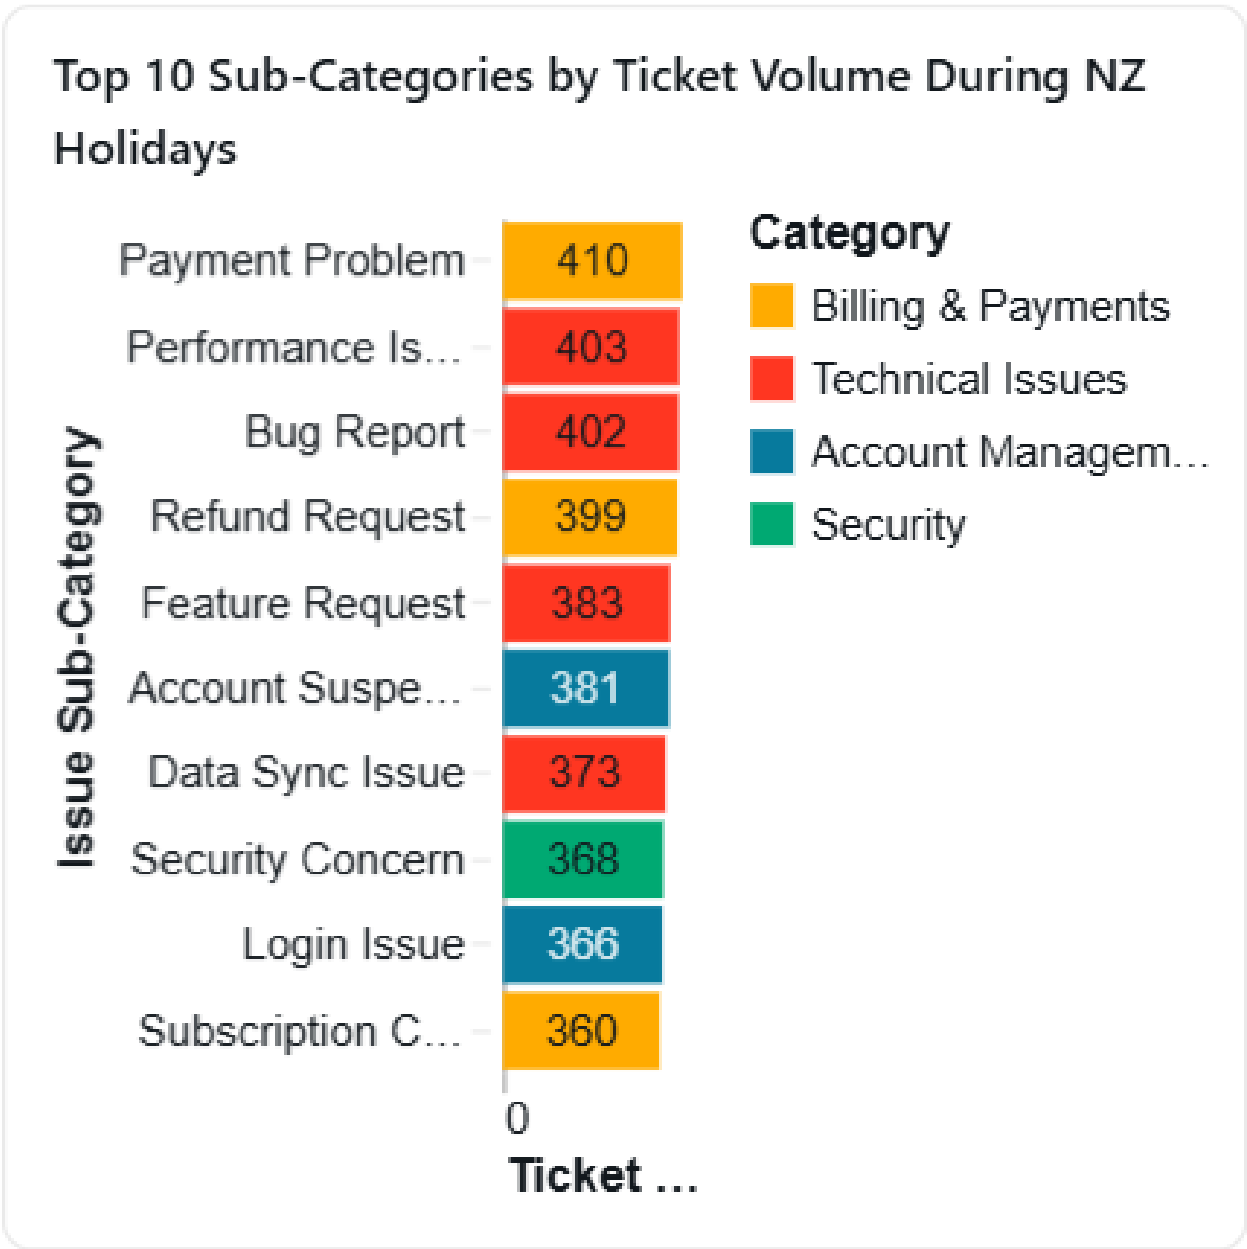

Top Sub-Categories

At the sub-category level, the highest-volume issues during NZ holidays are:

1. **Payment Problem** (Billing & Payments) - 410 tickets
2. **Performance Issue** (Technical Issues) - 403 tickets
3. **Bug Report** (Technical Issues) - 402 tickets

- 4. **Refund Request** (Billing & Payments) - 399 tickets
- 5. **Feature Request** (Technical Issues) - 383 tickets

Technical Issues dominate holiday ticket volume, with three of the top five sub-categories (Performance Issue, Bug Report, and Feature Request) falling under this category. This suggests customers continue to experience and report technical problems even during public holidays.
